Concert - Tues 26th July 2022

Lee Dewsnap

Lee from Brentford Middlesex is an artiste who's organ prowess was awakened at age seven in 1995.

Lee's stated ambition is to bring more keyboard instrument variety to concerts.

He performs in concert often playing a Yamaha EL-900 Electronic Organ and a Yamaha DGX-650 Electronic Piano. Lee's style provides a concert with a more up-to-date program, unique and personal. He plays styles including, Film, Classical, Big Band & New Age. He is enthusiastic about keeping the circuit going. His wish to encourage the next generation to experience the

joys of the instrumental keyboard.

Outside the circuit, Lee plays in a local church and is Musical Director of a local amateur operatic company where in the last few years he has rearranged the orchestral scores of four Gilbert and Sullivan Operas for the electronic organ, He hopes this will be another way to show people what the organ and keyboard can do.

A full list of what Lee has done and is going to be doing in the near future can be found on his website — www.leadewsnap.com.

Forthcoming Concert

Elizabeth Harrison - 23rd Aug 2022

Elizabeth Harrison born December 1976 just outside Preston, Lancashire. She has established herself on the concert circuit not only as a musician but also as an entertainer. Her varied musical repertoire along with her cheerful Lancashire humour has made her a favourite performer for many.

Her performances are full of life and expression and her choice of music is interesting with much variety. *Says Organfax*

Last concert - Brett Wales - 28th June 2022

As anticipated Brett drew an appreciative and enthusiastic audience of regular members and guests. His music style broad, encompassing variety and enthusiasm. His dapper second half appearance had him attired in a blue suit bedecked with fluffy white clouds?

A concert enjoyed by most, Brett performed on a Wersi Sonic which as an instrument has some superb sounds, Brett used a wide variety of them including the, 'very authentic' Wersi Helios samples taking the audience on a journey back to the late 1970s.

From the 1st half

Conquest of paradise, when you're smiling, And I love you so, Africa, o mio babbino caro, Medly Tribute Klous Wonderlch, Knowing me knowing you, Pirates of the Caribbean theme, Phantom of the opera - theme, Romeo - Pet Clarke.

From the 2nd half

This old house, A Rock and Roll medley, Rondo ala Turk, Sabre dance, A love so beautiful, In a Persian market, The sound of silence, Flight of the bumble bee (Jazzed up!) Cant help falling in love Elvis, Mr Blue sky,

Encore - Duelling Banjos.

At the end of the performance, if the audience would stack their chairs ten high high it would be greatly appreciated.
