## Last concert - Matthew Basson 16<sup>th</sup> Dec 2025

A much anticipated Christmas concert, we were pleased to welcome Matthew Basson who came equipped to entertain us along with his Genos 2, a lower keyboard and Hammond pedals. Additionally he played some pieces on a Yamaha NP30 Portable Grand Piano, using the Genos for backing. A first for us he also played his Korg Fisa, an electronic accordion given to him by Korg, Matthew remarked that it was the first accordion he has had to 'program'. These were the instruments then with which he gave us an excellent Christmas concert, a true festive feel and balance plenty of pieces including his own extended "Christmas Fanfare" composition. He sang a rendition of "The music of the night" this prompted a deserved standing ovation.
